DR. JOHNSTON
PROCLAIMS TO THE AFFLICTEDThat he has discovered the most certain, speedy and effec-
tious plan of treating

SECRET DISEASES

that has ever yet been presented to the world. By his plan,
founded on observations made in the Hospitals of Europe
and America, he will insure

ACURE IN TWO DAYS

No Mercury or Violent Drugs used.

Weakness, Loss of Organic Powers, Pains in the Loins,
Disease of the Kidneys, Affections of the Head, Throat, Nose
and Skin, Constitutional Debility, and all those horrid affec-
tions arising from a Certain Secret Habit of Youth; that, so-
litary practice, more fatal to its victims than the song of the
Siren to the sailors of Ulysses—highlighting their most
brilliant hopes and anticipations, rendering Marriage, etc.,
impossible.

A CURE WARRANTED, OR NO CHARGE.

Young Men especially, who have become the victims of
Solitary Vice, that dreadful and destructive habit which an-
nually sweeps to an untimely grave thousands of young
men of the most exalted talents and brilliant intellect, who
might otherwise have entered listless Senators with the
thunders of eloquence, or walked to ecstasy the living lyre,
may call with full confidence.

MARRIAGE.

Married persons, or those contemplating marriage, being
afflicted with physical weakness, should immediately consult Dr.
J., and be restored to perfect health, and to the enjoyment of
Office, No. 7 South Frederick street, Baltimore, Maryland,
on the left hand side, going from Baltimore street, seven
doors from the corner. Be particularly observing the name
and number of your place.

DR. JOHNSTON,

Member of the Royal College of Surgeons, London, Graduate
of the University of Edinburgh, and of the Universities of the
United States, and the greater part of his life has been spent in
the Hospitals of London, Paris, Philadelphia, and elsewhere,
has effected some of the most successful cures that have been
ever known. Many troubled with ringing in the ears and
head when asleep, great nervousness, being alarmed at sud-
den sounds, and bashfulness, with frequent blushing, attend-
ed with some derangement of mind, were cured immedi-
ately.

TAKE PARTICULAR NOTICE

Dr. J. addresses himself to the afflicted, and to those who
by private and improper indulgence, that secret and solitary
habit, which ruins both body and mind, unfitting them for
either business or society.These are some of the most and melancholy effects produced
by early habits of youth, viz: Weakness of the Back and
Limbs, Pains in the Head, Dimness of Sight, Loss of Muscu-
lar Power, Palpitation of the Heart, Dyspepsia, Nervous Ir-
regularity, Derangement of the Digestive Functions, General
Debility, Symptoms of Consumption, &c., &c.Mentally—The fearful effects of the mind are much to be
deplored, and are the result of the same cause. Confusion of
Spirits, Evil Forebodings, Aversion of Society, Self Distrust,
Love of Solitude, Timidity, &c., are some of the evils pro-
duced.

NERVOUS DEBILITY.

Weakness of the system, Nervous Debility and premature
decay, render the mind incapable of the most useful and
solitary practice so fatal to the healthful exercise of
mind, and it is the young who are most apt to become its
victims, from an ignorance of the dangers to which they
subject themselves. Parents and Guardians are often mis-
led with respect to the cause or source of disease in their
sons and wards. Alas! how often do they ascribe to other
causes, and to the influence of the weather, the result of
Dyspepsia, Indigestion, derangement of the Nervous System,
Cough, and Symptoms of Consumption; also those serious
Mental effects, such as loss of Memory, Depression of Spirits,
or mental or physical insanity, when truth is, they have
been caused by indulging in Pernicious and alluring prac-
tices, destructive to both Body and Mind. Thus are swept
from existence the noblest spirits, and the best of us are
to their Country, a pleasure to their friends, and ornaments to
Society.DR. JOHNSTON'S INVIGORATING REMEDY FOR OR-
GANIC WEAKNESS.This grand and important Remedy has restored strength
and vigor to thousands of the most debilitated individuals,
and has effected the same in the most rapid manner. It is
the complete invigorator of the Nervous System, the
whole faculties being restored to their proper power and
activity, and the system is enabled to resist the influence of
consistency and duration, upon the ruins of an emaciated
and premature decline, to sound and pristine health. Oh,
how happy have hundreds of stricken youths been made,
and how many have been restored to health from the de-
viation of those terrible maladies which result from indiscre-
tion!

This persons, before contemplating

MARRIAGE.

should reflect that a sound mind and body are the most ne-
cessary requisites to promote conjugal happiness. Indeed,
without this, the journey through life is a weary pil-
grimage; the prospect hourly darkens to the view; the mind
becomes shadowed with despair, and filled with the mel-
ancholy reflection that the happiness of another becomes light-
ed with our own, and no false delay prevent you, but
act immediately.He who places himself under the care of Dr. Johnston
may rest assured that he will be cured, and that he will
and confidently rely upon his skill as a Physician.

TO STRANGERS.

The many thousands cured at this institution within the
last ten years, and the numerous important Surgical Opera-
tions performed by Dr. J., witnessed by the Reporters of the
papers and many other persons, notices of which have ap-
peared again and again before the public, &c., &c., are
guaranty that the afflicted will find a skillful and honorable
physician.

TAKE NOTICE.

It is with the greatest reluctance that Dr. Johnston per-
mits his card to appear before the public, deeming it unpro-
fessional for a physician to advertise; but he does so, in order
that the afflicted, who have not had the opportunity to fall
into the hands of those impostors, boasting impostors—indiv-
duals destitute of knowledge, name, and character—pe-
culiarly anxious to cure the afflicted, and who have been
deceived by the many who have professed to be physicians,
and who have been deceived by the many who have professed
to be physicians, and who have been deceived by the many
